

Tri Counties Bank Scholarship Program

At Tri Counties Bank, our mission is to improve the financial success and well-being of the people we serve throughout Northern and Central California. One way of fulfilling this mission is through our scholarship investment in community-minded and intellectually-gifted students.

In partnership with the Community Foundation of the North State, Tri Counties Bank competitively awards scholarships of up to \$1,500 each to students attending a 4-year college and up to \$1,000 for those attending community college.

Awards will be made to talented high school seniors who demonstrate a keen interest in public service, community engagement and business entrepreneurship — especially among our economically-disadvantaged youth.

Tri Counties Bank provides a unique brand of Service With Solutions[®] which we extend to outstanding students to encourage their own discovery of solutions that will improve their lives and the well-being of others they may serve.
